What is the Arts Council of Pointe Coupée?

The **Arts Council of Pointe Coupée** is a 501c3 non-profit organization which obtains financial support to provide creative activities and opportunities to children and adults in our community through grants, Performing Arts Series season ticket sales, memberships, donations, & fund-raising activities.

What does the Arts Council of Pointe Coupée do?

The mission of the Arts Council of Pointe Coupée, as a community multi-arts organization, is to involve children and adults in professional instruction, performances, exhibitions, and other art experiences designed to develop skills and appreciation and to provide enjoyment.

Our History

- In January 2002, a handful of local artists met to plan a sampling of art classes in four-week sessions.
- The organization grew from the Pointe Coupée Historical Society to focus on the arts.
- In October 2009, a group of local artists gathered with members of the Arts Council of Pointe Coupée to have a conversation about how the Arts Council could better serve the needs of our local artists. From that discussion, a series of activities have taken place to involve artists and art appreciators in networking, sharing, learning, and exploring.
- In 2011 the board decided to change the name from the Julien Poydras Museum and Arts Council to the Arts Council of Pointe Coupée. A new logo was designed however, the mission of our organization remained the same.

GLENN MORGAN SCHOLARSHIP

- Other types of grants may be applied for on an annual basis but require collaborative support of Arts Council programs by local or state governmental entities.

Arts Council of Pointe Coupée Volunteers

The success of each of the Arts Council of Pointe Coupée programs could not be achieved without the generous donations of time, consumables, and in-kind services of our volunteers and supporters.

Volunteers are essential to the implementation of our programs for children, adults, seniors, and the community as a whole, as well as in artist initiatives, and performing arts programs.

Their valuable contributions are vital to the provision of art experiences designed to develop skills, appreciation, and provide enjoyment to our community.

Arts Council of Pointe Coupée Partners

The support of our generous partners has made it possible for the Arts Council of Pointe Coupée to provide activities including professional instruction, performance, and other experiences designed to develop skills and appreciation and provide enjoyment of the arts in our community.

Our partners are the backbone of the Arts Council's support system. These individuals, families, companies, and corporations significantly impact the quality and quantity of the arts programs that are presented to our community.
