Support the Arts in Pointe Coupee

The mission of the Arts Council of Pointe Coupee, as a community multi-arts organization, is to involve children and adults in professional instruction, performances, exhibitions, and other art experiences designed to develop skills and appreciation and to provide enjoyment.

Our members are the backbone of The Arts Council's support system. These individuals, families, and corporations significantly impact the quality and quantity of the arts programs that are presented to our community.

The Arts Council of Pointe Coupee is seeking community support for the work our organization provides in the community that includes student outreach, artist initiatives, and the performing arts. Your support is greatly appreciated as we continue to build on the success of the previous Arts Council of Pointe Coupee events and community programs.

Our outreach programs are provided in area schools and a variety of community settings. We furnish creative enrichment activities for seniors in area facilities and other locations, as well as conduct initiatives and creative opportunities for area artists. The Glenn Morgan Scholarship and the Prof. Jewell Teacher Grant programs provide student scholarships and teacher awards, respectively. Opportunities to enjoy and develop an appreciation of the visual and performing arts are also offered to the general public on an annual basis.
