Artwork Categories:

- **Two-dimensional:** pieces created on a flat surface by painting, photography, printmaking, drawing, etc.
- **Three-dimensional:** sculptures created by shaping/combining metal, glass, wood, clay, textiles, polymers, found objects, etc.

General Guidelines: All artwork must be original. No piece previously exhibited in a Treasures exhibit will be accepted. Artists of all ages are welcomed. *Artwork must be exhibit-ready:* 2-D pieces must be framed or gallery wrapped, ready to hang, with fixtures attached. If there are any special exceptions, please make a note on the submission form. **Artists are responsible for insuring artwork.**

Number of Submissions: Each artist may submit one piece of 2-D and/or one piece of 3-D work. It is the exhibit committee’s goal to have as many artists represented, as the facility will comfortably accommodate. A second piece in each category may be submitted with the understanding it is on a “space available” basis. Once all forms are received, the committee will decide if space is available. If so, second submissions listed on the entry form will be taken. If there is only room for some of the second submissions, a random drawing will determine which will be exhibited.

Sponsored Pieces: If you own an original artwork by another artist, you may sponsor it in the show. Indicate that it is a sponsored piece on the submission form. A registration fee is required. Priority will be given to artists’ submission of their own work.

Submission Deadline: Submission forms must be received by **FRIDAY, APRIL 21, 2023** by email or mail. Forms postmarked on or before April 21, 2023 will be considered received by the submission deadline. **NO SUBMISSIONS will be accepted after this date.**
