Mission of the Arts Council of Pointe Coupee

The Arts Council of Pointe Coupee, a multi-arts organization serving the community, is dedicated to engaging both children and adults through professional instruction, performances, exhibitions, and various artistic experiences. Our goal is to cultivate skills, foster appreciation, and provide enjoyment.

The Importance of Our Members

Our members form the essential foundation of the Arts Council's support system. These individuals, families, and corporations play a crucial role in enhancing the quality and quantity of the arts programs offered to our community.

Seeking Community Support

The Arts Council of Pointe Coupee is reaching out for community support to continue our work within the parish. Our initiatives include student outreach, artist programs, and the performing arts.

Your support is invaluable as we strive to build upon the success of past Arts Council of Pointe Coupee events and community programs.
